

Dear Colleague,

Thank you for your interest in the Postgraduate Year Two (PGY2) Critical Care Pharmacy Residency at Sanford Medical Center Fargo.

Sanford Medical Center Fargo's PGY2 Critical Care residency is ASHP-accredited and follows the ASHP Residency Learning System. Our structured/goal-oriented program is designed to meet the resident's needs and individually tailored to equip the resident for success. Rotations currently available include: medical intensive care, surgical intensive care, neurocritical care, CV ICU, emergency medicine, infectious diseases, bone marrow transplant, ICU evenings, nephrology/transplant, pediatrics/PICU, and NICU. A research project will be completed during the 12-month experience.

The resident has many opportunities to teach pharmacy students from the North Dakota State University College of Pharmacy and precept PGY-1 residents. The resident will also have the opportunity to complete a teaching certificate in collaboration with NDSU.

The current staffing commitment for the residency is approximately one evening every one to two weeks and every third weekend and is emphasized in ICU areas. Residents also have the opportunity to work additional shifts as a per diem pharmacist. Residents are not permitted to work in excess of 80 hours per week. This includes any employment outside of Sanford.

Residents are provided health insurance, dental insurance, life insurance, and 20 days of vacation (includes sick days). The stipend is competitive and updated annually. Residents receive expense coverage to attend either the SCCM or ACCP Clinical Meeting plus the Midwest Pharmacy Residents Conference to present their research project.

To apply for the PGY2 Critical Care residency at Sanford Medical Center Fargo you must submit the following by **January 3<sup>rd</sup>** through **PhORCAS**:

- Letter of interest (include clinical areas of interest and reason for pursuing a residency)
- Current Curriculum Vitae
- College transcript(s)
- Three (3) letters of recommendation

An on-site or virtual interview in Fargo, North Dakota, is required for qualified applicants. Interviews are conducted in January and February, which will include navigating a patient case and a short presentation by the candidate. If you have any questions, please feel free to contact me anytime.

Warmest regards,

Megan Moore, PharmD, BCPS, BCCCP  
PGY-2 Critical Care Residency Program Director
