

Dear Residency Applicant,

Thank you for your interest in the Postgraduate Year Two (PGY2) Oncology Pharmacy Residency at Sanford Roger Maris Cancer Center.

Sanford Roger Maris Cancer Center's PGY2 Oncology residency is ASHP accredited. Our structured/goal-oriented program is designed to meet the resident's needs and individually tailored to equip the resident for success in short and long term goals. Rotations currently available include: adult inpatient oncology, bone marrow transplant, ambulatory oncology with oral oncology therapy management, hemophilia treatment center, investigational drug services, pediatric oncology, specialty pharmacy, palliative care and immune-compromised infectious disease. A research project will be completed during the 12-month experience.

The resident has many opportunities to teach pharmacy students from the North Dakota State University College of Pharmacy and precept PGY-1 residents. The resident will also have the opportunity to complete a teaching certificate in collaboration with NDSU.

The current staffing commitment for the residency is approximately one evening every one to two weeks and every third weekend and is emphasized in oncology areas. Residents also have the opportunity to work additional shifts as a per diem pharmacist. Residents are not permitted to work in excess of 80 hours per week. This includes any employment outside of Sanford.

Residents are provided health insurance, dental insurance, life insurance, and 20 days of vacation (includes sick days). The stipend is competitive and updated annually. Residents are supported to attend the HOPA Annual Meeting as well as the Midwest Pharmacy Residents Conference to present their research project.

To apply for the PGY2 Oncology residency at Sanford Roger Maris Cancer Center you must submit the following by **January 3<sup>rd</sup>** through **PhORCAS**:

- Letter of interest (include clinical areas of interest and reason for pursuing a residency)
- Current Curriculum Vitae
- College transcript(s)
- Three (3) letters of recommendation

An on-site or virtual interview in Fargo, North Dakota, is required for qualified applicants. Interviews are conducted in January and February and may include a short clinical case and/or a 15-minute presentation by the candidate. If you have any questions, please feel free to contact me anytime.

Warmest regards,

Jocelyn Mohs, PharmD, BCOP  
PGY-2 Oncology Residency Program Director
